MEMORANDUM FOR: Director of Economic Research

SUBJECT : Commendation

- 1. The latest report on the Rolling Thunder program, "The 1967 Campaign Against LOC's", 29 September, has maintained the high standards of reports in this series. This report has been particularly well received and has been given close attention at the highest levels of the government.
- 2. It is, in my opinion, a sound and imaginative analysis of a sensitive and important problem. It reflects highly on the Agency as a whole and on those individual officers who worked on it.
- 3. I understand that the report is largely the effort of the staffs directed by
